CITIZEN REVIEW & NEIGHBORHOOD INVOLVEMENT REPORT

Wolff Scottsdale Senior Living

July 11, 2017

Overview

This Citizen Review Report is being performed in association with a request for a Zoning District Map Amendment to rezone from Planned Community Center (PCC) to Planned Unit Development (PUD) of an approximately 6.17+/- acre property located at 8225 E. Indian Bend Road. The proposed project would result in a senior community with minimal healthcare consisting of 159 luxury independent living units. This request is in conformance with the existing Mixed Use General Plan land use designation. This Citizen Review Report will be updated throughout the process.

The entire project team is sensitive to the importance of neighborhood involvement and creating a positive relationship with property owners, residents, business owners, homeowners associations, and other interested parties. Communication with these parties will be ongoing throughout the process. Work on compiling a list of impacted and interested stakeholders and neighborhood outreach began prior to the application filing and will also continue throughout the process. Communication with impacted and interested parties has taken place with verbal, written, electronic, and door-to-door contact.

Community Involvement

The outreach team has been communicating with neighboring property owners, HOA's, and community members by telephone, one-on-one meetings and door-to-door outreach since April of 2017. Members of the outreach team will continue to be available to meet with any neighbors who wish to discuss the project. Additionally, they will be contactable via telephone and/or e-mail to answer any questions relating to the project.

Surrounding property owners, HOAs and other interested parties were noticed via first class mail regarding the project. The distribution of this notification met the City's requirements as specified in the Citizen Review Checklist. This notification contained information about the project, as well as contact information. This contact person will continue to provide, as needed, additional information and the opportunity to give feedback. The notification also contained information regarding a neighborhood Open House that was held on May 23, 2017 at the Scottsdale Plaza Resort for those who wished to learn more about the project. The location and time were posted on the Early Notification Sign.

12 interested people attended the Open House. Attendees were generally supportive of the project and questions were addressed at the Open House (with some need for continual follow up that is currently being performed). Additional follow up has been done with the representative of Los Abridados regarding site plan changes. Several changes were made to the site plan based on feedback from the adjacent neighborhood. The outreach team will continue to be available to respond to any neighbors who have questions or comments.

A vital part of the outreach process is to allow people to express their concerns and understand issues and attempt to address them in a professional and timely matter. Again, the entire team realizes the importance of the neighborhood involvement process and is committed to communication and outreach for the project.

Dear Neighbor:

We are pleased to tell you about an upcoming request (333-PA-2017) by Scottsdale based Wolff Company to create a luxury independent living senior community with minimal healthcare located at 8225 E. This request is for a Zoning District Map Amendment from commercial Planned Community Center (PCC) to Planned Unit Development (PUD). This request is in conformance with the existing Mixed Use General Plan land use designation.

You are invited to attend an open house to discuss this proposal. The open house will be held on Tuesday, May 23, 2017 from 5 p.m. to 6 p.m. in the Las Palmas Room A of The Scottsdale Plaza Resort located at 7200 N. Scottsdale Road.

If you have any questions, please contact the neighborhood outreach team at 602-957-3434 or info@technicalsolutionsaz.com. The City of Scottsdale Project Coordinator for the project is Greg Bloemberg, who can be reached at 480-312-4306 or gbloemberg@ScottsdaleAZ.gov.

CITIZEN REVIEW & NEIGHBORHOOD INVOLVEMENT REPORT
Wolff Scottsdale Senior Living
October 3, 2017

Overview

This Citizen Review Report is being performed in association with a request for a Zoning District Map Amendment to rezone from Planned Community Center (PCC) to Planned Unit Development (PUD) of an approximately 6.17+/- acre property located at 8225 E. Indian Bend Road. The proposed project would result in a senior community with minimal healthcare consisting of 159 luxury independent living units. This request is in conformance with the existing Mixed Use General Plan land use designation. This Citizen Review Report will be updated throughout the process.

The entire project team is sensitive to the importance of neighborhood involvement and creating a positive relationship with property owners, residents, business owners, homeowners associations, and other interested parties. Communication with these parties will be ongoing throughout the process. Work on compiling a list of impacted and interested stakeholders and neighborhood outreach began prior to the application filing and will also continue throughout the process. Communication with impacted and interested parties has taken place with verbal, written, electronic, and door-to-door contact.

Community Involvement

The outreach team has been communicating with neighboring property owners, HOA's, and community members by telephone, one-on-one meetings and door-to-door outreach since April of 2017. Members of the outreach team will continue to be available to meet with any neighbors who wish to discuss the project. Additionally, they will be contactable via telephone and/or e-mail to answer any questions relating to the project.

13-ZN-2017
10/05/17

Surrounding property owners, HOAs and other interested parties were noticed via first class mail regarding the project. The distribution of this notification met the City's requirements as specified in the Citizen Review Checklist. This notification contained information about the project, as well as contact information. This contact person will continue to provide, as needed, additional information and the opportunity to give feedback. The notification also contained information regarding a neighborhood Open House that was held on May 23, 2017 at the Scottsdale Plaza Resort for those who wished to learn more about the project. The location and time were posted on the Early Notification Sign.

12 interested people attended the Open House. Attendees were generally supportive of the project and questions were addressed at the Open House (with some need for continual follow up that is currently being performed). Additional follow up has been done with the representative of Los Abridados regarding site plan changes and timing of the public approval process. Several changes were made to the site plan based on feedback from the adjacent neighborhood. The outreach team will continue to be available to respond to any neighbors who have questions or comments.

A vital part of the outreach process is to allow people to express their concerns and understand issues and attempt to address them in a professional and timely matter. Again, the entire team realizes the importance of the neighborhood involvement process and is committed to communication and outreach for the project.
